Route to Intercity Bus Terminal

The route (taking into account varying traffic) lasts from 45-60 minutes. It is advisable to check with traffic apps (i.e. Moovit). The ticket costs 2 euro, you can buy it on board with cash (coins: the machine does not return change!) or from the ticket counter next to the bus stop (it operates during the day time).

On arrival at the Intercity Bus Terminal, the Serres Intercity Line is located in the main building. Each destination is served by a different counter. You must find the counter labeled: Serres, where you can purchase your ticket (credit cards are accepted). One-way ticket costs 9 €. Ask at the desk to verify the departure time and platform (announcements are in Greek).

However, while carrying luggage it is recommended to take a taxi (the charge will be 4-5€, which is the minimum charge).
